- Standby power consumption: < 5 W
- Mains power: AC 220 - 240 V +/- 10%
- Off Mode: 2.5 W

Dimensions
- Product weight: 20 kg
- Weight incl. packaging: 23 kg
- Colour cabinet: Blue silver
- Set dimensions (W x H x D): 549 x 469 x 497 mm

Sound
- Sound system: Stereo
- Output power (RMS): 2x2W Stereo

Product highlights

Integrated Clock Display
The built-in clock display, which is also a wake-up alarm, eliminates the need for an additional clock with cables and connections in the room. Automatic time synchronisation via teletext, selectable display brightness and wake-up alarm level to enhance guest comfort.

Wireless Smart Loader™
Provides the ability to copy easily and wirelessly all programmming settings from one TV set into other TV sets in less then a minute. The feature ensures uniformity between TV sets and significantly reduces installation time and costs.

Built-in FM radio
The integrated FM radio offers guests additional comfort without the extra investment in radio receivers.

External Loudspeaker Connector
Amplified audio connector for easy installation of external speakers (like for bathrooms), eliminating the need for investments in external equipment

Welcome Message
Welcome greeting displayed on screen each time the TV set is switched on

Volume Control Locking
This feature predefines the volume range in which the TV set can operate, preventing excessive volume adjustments avoiding disturbance of next door neighbours.

Front Controls Locking
Prevents unauthorised access to TV functions

Switch On Channel Programming
It forces the TV set to a specified channel when turned on. Perfect for in-house advertising or information channels.

Security Menu Access
Provides conditional access to installation and configuration settings via a special code or master remote control

ESP™
Feature can be selected in the set-up menu. The TV can be switched off automatically after a specified period of use saving energy and providing extended product life time. The selectable range is from 0 to 99 hours.

Battery Low Detection
This feature informs of the need to replace the remote control batteries preventing unneccessary replacement of batteries.

Multi Language Teletext
Allows users to select their preferred language supported by the teletext characters

UIR-Link+
Makes it possible to connect a Set-top box to the tv and let the STB control the TV. Tamperproof, allows PREVIEW function, no tuner required in the STB, one remote control for STB and TV
